**FULLY AUTOMATIC CITRUS FRUIT SQUEEZER**

Minimal design for maximum functionality. Auto-Squeezer 2.0 is the revolutionary, fully automatic citrus fruit squeezer. Automatic Press&Juice System: simply press a button and the appliance autonomously activates the juicing process to give you a tasty fruit juice in just a few seconds. The multi-format cone allows you to squeeze citrus fruits of different sizes: grapefruit, oranges, lemons or limes, without having to constantly change accessories.

Clean hands and no splashes thanks to the protective lid. No more splashes and drips thanks to the spout with drip cap.

Auto-Squeezer 2.0 is easy to dismantle and clean. Some parts are also dishwasher safe.
